# GIFT OF SIGHT

HOMETOWN MISSION

CLEVELAND EYE CLINIC

*By Midwest Vision Partners*

NORTHEAST OHIO  
EYE SURGEONS

*By Midwest Vision Partners*

We know there are many individuals that do not have access to vision-saving technology. In an effort to better support our community, Northeast Ohio Eye Surgeons and Cleveland Eye Clinic have partnered with Brecksville Surgery Center to provide no-cost cataract surgery for up to 10 patients who are experiencing a hardship and cannot afford the surgery. **The surgery date is scheduled for Friday, August 9th, 2024. The deadline for application submissions is Friday, July 19th, 2024.**

Patients that meet the following criteria will be selected on a first come, first serve basis:

- No insurance preferred
- Significant cataracts
- Good visual potential

**If you have a patient that would benefit from this surgery, please submit the patient's story to GIFT OF SIGHT DR. KEVIN LAVERY'S HOMETOWN MISSION:**
